

Beacons of Light Support Gatherings

Joining together as God lights the way.

Gatherings are purposed to foster a process for spirit-led sharing and healing as we transition into this new season of preparing for our Family of Parishes.

Our hope is that this opportunity will unearth a deeper sense of connectivity, excavate hurts that have been hidden from times past, address concerns and explore vibrant new ways to thrive as we press into the Light!

Beacons of Light Support Gatherings:

- Launch monthly virtual & in-person gatherings beginning the week of February 13th.
- Support Gatherings hosted by Fr. Dave & Deacon Royce with up to 24 participants per gathering.
- Monthly theme with structured format - 75 minutes in length.
- Please register on the parish website or by filling out next week's bulletin insert, which will include an area for you to ask questions regarding Beacons of Light, address areas of uncertainty and share your heart and prayer requests.
- This pre-gathered information will be used as the focal point of our gatherings and will be utilized in the sessions you register to attend.
