The Church of the Resurrection is blessed to have parishioners who joyfully share their God-given gifts to help fulfill the mission of the parish. Stewardship Council wants to publicly recognize ministries and individuals who generously give their time, talent and treasure while serving our parish without any anticipated acknowledgement. Rather, they serve selflessly to help our parish build the kingdom of God. By displaying our gratitude, we honor the volunteers and ministries, promote greater awareness of various ministries, and motivate others to share their gifts in service.

Recognition will be done via bulletin inserts and announcements on a monthly basis. Ideally everyone and every ministry eventually will be recognized! To accomplish this, the Stewardship Council requests and needs your help. Have you: noticed a ministry's impact on others, or observed a parishioner who quietly helps maintain church facilities, or witnessed a parishioner routinely offering comfort to others, or been particularly touched by a parish ministry? Do you have a ministry member who is especially dependable? Maybe there are other acts of service that you feel should be acknowledged. If so, then please submit the name of that ministry or person for our parish monthly recognition by completing one of the recognition forms available at the church entrances or on the parish website.
